2018 Most Promising Places to Work in Community Colleges

Fairfax, Va. — *Diverse: Issues In Higher Education* is pleased to announce the *2018 Most Promising Places to Work in Community Colleges*. The findings will be published in the May 17, 2018 edition of the magazine.

With a focus on workplace diversity, staffing practices and work environment, the research team uses a web-based survey approach to determining the list, examining categories such as family friendliness, salary/benefits and professional development opportunities.

The list of 18 most promising places to work in community colleges (in alphabetical order) is:

- Central Piedmont Community Colleges
- Coastline Community College
- Community College of Allegheny County
- Community College of Aurora
- El Centro College
- GateWay Community College
- Greenville Technical College
- Harrisburg Area Community College
- Lone State College-University Park
- McLennan Community College
- Montgomery County Community College
- National Park College
- Northwest Vista College
- Pierpoint Community and Technical College
- Pitt Community College
- Rochester Community and Technical College
- Wake Tech Community College
- Western Texas College
